Global Watch Weekly Report

Welcome to the Global Watch Weekly Report

The origins of the Illuminati can be traced back to a secret sect known as the Brotherhood of the Illuminati. This group formed in Spain during 1530 was a group whose mission was based on the Constantinople Letter of 1489. The Constantinople letter was a document authorised by the Grand Sanhedrin in Constantinople outlining a strategic plan by which the Jews could seek to rule the world and counter the rise of anti semitism across europe.

The plans of the Brotherhood stayed as a concept for the next 250 years until 1776 when a meeting took place with the founder of the bank company Rothschild and several of Europe's most wealthiest and influential families which focused on the reviving of the concept into a practical reality that could be implemented and ultimately result in a centralised world government with a world leader.

The influential families placed the schemes and plans into the hands of Professor Adam Weishaupt who not only eventually controlled the Freemason Lodges in Munich Germany but also became a very important member of the Grand Lodge in Paris. As a professor of law at the University of Ingolstadt, Weishaupt was of Jewish ancestry, and his family had become Catholic. There is an on going debate as to whether he had been influenced by the Jesuits.

In May 1776 Weishaupt created a secret society called the "Order of Perfectibilists" which was later changed to the "Order of Illuminati". The aim of the order was to gradually seize control of all the worlds resources and though control and manipulation of international banking, place most of the worlds wealth under the control of the most influential family network dynasties within the Order of the Illuminati.

In this weeks edition of the Global Watch Weekly we look back at two interviews which took place with individuals who were actually part of this secret society and who broke away at significant cost to give their insight into this powerful organization.

INTERVIEW WITH EX ILLUMINATI MEMBERS

AN INTERVIEW WITH LEO ZAGAMI

Leo Lyon Zagami is an ex-member of the Comitato Esecutivo Massonico, Masonic Executive Committee (MEC) of Monte Carlo. He was, until recently, a high level member of the Italian Illuminati, a 33rd degree freemason, a true insider and a high-member of the infamous Freemasonic P2 Lodge. He was the “prince”, prepared to take over after the older Illuminati “king”, Licio Gelli. He is of Illuminati aristocrat bloodline and therefore involved in the Illuminati Order since childhood. However, Leo decided he’d had enough of all the evil he was exposed to, and a part of, and the horrifying Satanic, black magic rituals, mind control and torture that was going on inside the lodges, behind closed doors.

So he left everything and fled to Norway, where he is currently residing. Since he left, he’s been harassed and tortured and had his life threatened. He realized that the only way to hopefully stay alive is to expose to the world what he knows and make himself known. History shows that this is one of the best ways to survive, although nothing is for certain. Leo started a website, Illuminati Confessions – where he reveals the secrets to the world, one by one.

Below is a highly publicized interview which took place with Zagami where he addresses various questions about his role within this secret society.

My name is Leo Lyon Zagami, I am 37, and this is my story. My story goes back to the fact that because of my family tradition I joined various secret societies during the course of my life and I found myself involved in what is known as The New World Order.

NEW WORLD ORDER?

New World Order is for some people a way to implement fascism on a global scale. To do this they want to use surveillance technology, like microchipping, to control all aspects of our life. Everything is in the hands of the Big Brother and this Big Brother is in the hands of the police, of the military police, of the military and civil intelligence. They are all working these days not for the governments but for the corporates that together with certain families and certain banks are handling this big business and have been doing this for a long time.

HOW CAN YOU PROVE THIS NEW WORLD ORDER?

Well, I can talk about this from my personal experience. I was initiated on the 13 of April 1993 in Rome. It was a peculiar time in Italy because the P2 Lodge scandal had erupted and freemasonry was in turmoil. Grand Master Giulliano di Bernardo who is now the grand master of the Academy of the Illuminati in Rome, split from The Grand Orient of Italy and he was forming his own Grande Loggia Regolare D'Italia which was the only one recognized by The United Grand Lodge of England. I found myself initiated by prince Alliata di Monreale who is an Italian aristocrat. Our families go back long time, with a relationship of hundreds of years and even some relatives in common. He used to be the head of the Order of the Sword and the Eagle which was a Masonic order I came to belong.

He directed me to The Committee of Monte Carlo which was already a lodge and was to become a Masonic Executive Committee in 1999. Its goal was to reunite people from all the various Masonic obedience’s and secret societies, to work as a super structure within the structure of the illuminati with the base in Monte Carlo.

Ezio Giunchiglia who was the treasurer of the P2 Lodge had this plan in mind and his position in the lodge was very important. The P2 lodge was also connected with the Vatican Bank. A very important character, Signor Marcincus died recently and was involved with the scandal of the Vatican Bank that

INTERVIEW WITH EX ILLUMINATI MEMBERS

had erupted more than 20 years ago and involved also Roberto Calvi who ended up killed under Blackfriars Bridge in London in 1982.

P2 is an old lodge propaganda a Lodge that already existed at the time of Garibaldi. In the 60 it came under the control of Licio Gelli. It was given to him by the CIA so he could control through this lodge all the VIP people in Italy who didn't want their names on the official Masonic list. P2 had a secret list and its members were never made public. For that reason the P2 lodge included also people from the Ecclesiologic, which was the lodge inside the Vatican. P2 functioned as a trade union between the Jesuits and New World Order plans that CIA had for the Gladio (from Latin gladius meaning sword it's a code name denoting the clandestine stay-behind operation in Italy after the World War Two, intended to counter an eventual Soviet invasion of Western Europe. The existence of Gladio has been acknowledged by the Italian prime minister Giulio Andreotti at 24 October 1990. Gladio has been accused of attempting to influence the internal politics using the "strategy of tension"). Because it functioned as a lodge of propaganda P2 included journalists, writers, musicians, people from the world that could promote it.

"HEIL IMPERIUM"

Inside the lodges of the O.T.O. in Moscow, Russia, you have the poster of George Bush next to the one of Satan, and the members give praise to both of them. It's like those people are happy that Bush it's such an evil person. Satan wants to create an empire that's why when we used to go around at lodges people used to salute us with "Heil Imperium". P2 became an imperium even though the lodge was destroyed by the scandal, the remaining elements and the Committee of Monte Carlo are still very powerful and a lot of people are involved.

The Masonic swords presented: Boats (B) and Iakin (Y), these two phrases I used in order to enter the first and the second degree of Freemasonry. Then at the center we have the compass and the square which represent the male and the female sexual parts united in one. Down "here" we have the squares that represent the pavement of the lodge. MB Mach Benak (in translation it means "the flash is leaving the bone") this is the last phrase that is given to a master mason to recognize another master mason.

This is a Masonic sword that can be used for various things in a lodge, also during an initiation. Then we have a collar of a grand officer as I was a grand officer in the Grand Lodge in London, this is the London medal. As a grand officer I used to wear this (the collar and the sword) and work in order to initiate the next freemason who wanted to receive "the light" and if he was a "good boy" he could receive like in this case a medal : this was a medal given for the worship of masters in the congress of the Grand Orient of Italy held in 12-13 of November 1994.

FREEMASON DEGREES?

Freemasons start at a lower level as a positive charity driven society. As you go through the first three degrees than you join a rite, it can be the Scottish rite or other, it depends where you are in the world.

When you join these superior degrees and also when you make active work in a Grande Lodge, if you are an officer and you reach the high levels as a grand officer and you are in charge of a whole district of freemasons then you start becoming more and more conscious that you have contact with certain forces behind the scene.

These forces influence politics, influence religion, influence the topics that you shouldn't be discussing in Freemasonry but they are actually discussed in secret. In the Scottish rite, from a certain degree, you are allowed to discuss politics.

FREE MASONS AND OPUS DEI

What we were trying to create at our Committee of Monte Carlo was to have a good balance between the Opus Dei members and the other members of other secret societies. Opus Dei seem to have a particular influence these days so a lot of people want to be associated with them.

INTERVIEW WITH EX ILLUMINATI MEMBERS

My personal experience with Opus Dei has been quite interesting because I used to have my meetings with the illuminati in the headquarters of the Opus Dei in Bologna, Villa Leona. Carlo Maria Baserga, the owner of this place, he was quite a scener, with a young lover going out to lunch just in front of us he wasn't afraid to show us his true side because we were the "naughty boys".

These meetings between Satanists and luciferians were taking place inside the headquarters of the Opus Dei this is a very interesting fact on his own because it is known that Opus Dei is a secret organization inside the Catholic Church.

Opus Dei it's nowadays more powerful than the freemasonry especially in Italy. Many freemasons have double membership both in the Opus Dei and the freemasonry.

To join the Opus Dei is a good business because there are a lot of business people and you can make good money.

GLOBAL CONSPIRACY

By exposing myself like I am doing now, I probably will never have a job in any major corporation, I don't seek one but if I wanted I could never have. And it is also very difficult for me to live because I finance myself since I don't have anybody behind me. In the same time I am warning people of an enemy that they don't want to see usually because they are too occupied in doing other things.

If you are occupied paying your bills, running after your kids, your job, it's very difficult for you to focus and say: "I have here a global conspiracy that is taking over my life."

It's very difficult to stop even for a moment to think about it. They don't want you to think, if you start thinking you can become dangerous. They made experiments during the course of years especially with the problems of mind control and the strategy of tension.

P2 was a very important Lodge for the strategy of tension that belong to the Gladio with the whole activity of anticommunists which was a cover up for a big game, the conflict between the communists and the fascist and this was another cover up for other intentions of the "illuminati". Now the conflict is between the Christians and the Muslims, tomorrow maybe between people from this planet and imaginary people from another planet. Maybe they could create an alien race as this propaganda is pushing more and more people to believe in aliens.

TELL ME SOME NAMES OF FREEMASONS WHO ARE ACTIVE IN THE WORLD POLITICS TODAY:

First of all for example, you have the father of George Bush, George H. Bush, we have the son of George Bush who is initiated in the Skull and Bones, John Kerry also initiated in the Skull and Bones, we have people like Kissinger who used to be in the P2 Monte Carlo Lodge and he is still a very powerful character in the world politics. There are also people like Gordon Brown and Tony Blair. I remember Gordon Brown was decided to be a prime minister when I was at Kirby Lodge in October of 2003. They were using Tony Blair for what they needed and then just "flash him down the toilet" to replace him with somebody they thought was more suitable.

Kirby Lodge 2818 it's a lodge founded by the Bank of England and most of its members are bankers. I was part of it for a period of time.

My previous mentor, prince Alliata said: "you have to understand that Italian freemasonry is divided in many branches with many grand masters so the best thing you can do is to go to England and become a member of the United Grand Lodge of England in order to stabilize your position".

KIRBY LODGE LONDON?

Kirby Lodge 1828 has a long story and it was a big experience for me to join this lodge for a period of time. Even if I belong to other lodges in Italy for longer periods of time like the Minerva Lodge, the

INTERVIEW WITH EX ILLUMINATI MEMBERS

Garibaldi Lodge, I always thought that my experience in London has been a very special one because it taught me how New World Order has in London one of the most important centers.

This is my chart: Rite Ancient and Primitive of Memphis and Mizraim, Grand inspector general 33 degree, Sovereign Grand Master Absolute of the Egyptian Order of Misraim 90 degree, Grand Conservateur of Memphis 95 degree signed by the doctor Nicholaj Frisvhol at the oratory of Oslo.

ILLUMINATI POWER STRUCTURE? KNIGHTHOODS? SECRET SERVICES?

The people who are really manipulating the whole thing people are the usual families of "illuminati" and the Vatican who is supporting them. These people who want to implement the New World Order are from a series of "knights" recognized by the Vatican like the "Knights of the Holly Sepulchre", the "Knights of Malta", "Knights of Saint John".

These "knights" are all part of the secret services: CIA, MI6, MI5 in England. These people who belong to the intelligence services have double loyalty, not only to the country but also to the "Holly Order" they belong to which is under the control of the pope and of the various leaders of these "knighthoods orders".

There are many knighthood orders outside Vatican that control all sorts of parts of the aristocracy, we have the Royal Order of the Garter in England which includes all the members from the various European aristocratic bloodlines, more or less all interconnected with each other.

For the Austrians there are the Teutonic Knights.

All these "knighthoods" function in a way as an invisible military structure and they use special garments that can be seen only by those few people who know how to recognize their symbols. The square and the compass is the most basic symbol but then there are many other degrees and many other knighthood orders that use different symbols.

Freemasonry was born out of the knighthood orders as a necessity to also involve the lower sides of the western society in this pyramid. That is why in England you have almost half of a million freemasons. We don't have an elitarian society but a big society that it's controlled from the center by a Single Elite ruling all the people.

INTERVIEW WITH EX ILLUMINATI MEMBERS

AN INTERVIEW WITH SVALI

Of all ex Illuminati members, there is none whose case has been more publicized than Svali. Svali used to be a programmer and trainer in the cult of the Illuminati. Both she and her entire family were involved in the cult group until several years ago, when they finally broke free. She has been a consultant to an on-line survivors group that helps people dealing with issues related to cult programming and ritual abuse. Svali is now a writer and a registered nurse and has self-published a book on breaking free of cult programming, which several experts in the field have said has "invaluable information" for the survivor of ritual abuse. She is now married to her second husband and has two children.

The below is a detailed list of questions which was sent to Svali by HJ Springer one of the first individuals to interview her about her experience whilst working for the Illuminati. At the time, HJ Springer was the Chief Editor CentrExNews.com which had been running a series 'The Illuminati: How the Cult Programs People'. Correspondence with Svali took place in the form of an email interview,

Question: I would think that California would be one of the major 'turfs' of the Illuminati, and I'm thinking specifically Hollywood. What's your inside on this, in regards to film making, symbology, subliminals, the whole scene in general?

Svali: Oh, boy, do you have a few hours? I'll try to be brief. The Illuminati believe that to control the media is to control the public. This is one of their stated agendas. Remember, finances, media, law, government and education are the areas they targeted as being the best to dominate society.

How do they do this? They don't go to a film producer and say, "Oh, by the way, we're Illuminati members and we want you to make a movie that promotes our agenda". (Remember, they aren't stupid, either). Instead, they will form a small investment corporation that funds movies with ideas that they like. They quietly hire actors and producers and directors and scripts, but they never mention their affiliation publicly or why they are doing this.

Money talks, and especially in Hollywood. If you have money, you can get about anything made, and they know this. They can also channel money into advertising campaigns, etc. for their films (how many Christian films have had major ad campaigns in the past twenty years? Very few. How many occult movies have? I rest my case).

This has been a slow, subtle process because they are patient. They have been working behind the scenes for hundreds of years, and they know that the public is slow to accept new ideas, that it has to be done gradually. (They call it leading in the "sheep" which is one of their terms for the "unenlightened"). And it has been. The number of occult films that has come out in the past ten years alone should make anyone pause and think.

Why so many films with this theme? Why the desensitization of America's youth to the occult and magic? Just look at Saturday morning cartoons. I don't allow my children to watch them, except for "animaniacs" and Bugs Bunny at times. Instead, we rent old classics with Audrey Hepburn and John Wayne. I can send you some articles that did an excellent job of investigating Walt Disney (he was an Illuminist, and Fantasia was used to program children).

Some films that blatantly portray the Illuminist agenda: The Matrix. You could have peeled me off the ceiling when I saw that one. The references to conditioning and the core were so blatant, it wasn't funny. Fight Club: I love Brad Pitt and Ed Norton, and this film is a nod at the covert military buildup going on that the average person doesn't realize. Also, Ed is dissociative in the film, as Pitt's character takes over (notice that the cult-creating military figure is the "stronger" one in the story?).

INTERVIEW WITH EX ILLUMINATI MEMBERS

The Labyrinth: I haven't seen this, but my husband did, and everything he mentioned is pure Illuminati programming stories used with children. Any movies with an occult viewpoint, or that show supernatural psychic phenomena, astral travel, or contact with the spirit world are guaranteed to be part of this agenda. I don't watch them, myself. Saw enough of the real thing to last me this lifetime.

The sensationalization of rituals and other occult insignia on television is another example. Ghost stories. Witch stories. Children's books about Wizards and their training that are extremely popular.

Oh, yes, Starship Trooper. This one had so many cult symbols (the Illuminists have a strong Aryan ideology going, too) that I almost laughed outright when I saw it. I counted at least 100 in it. Someone had fun going tongue-in-cheek with the Illuminist agenda in that one.

Many fine actors and actresses are being used in films funded by these people. Some may know the agenda, most probably do not, as long as they receive a pay check. Some are also Illuminists as well, although I don't know who is. I do know a few, but I don't want to risk a libel suit here.

Anyway, I was too busy training and going to meetings and learning the effects of drugs on people to pay much attention to that part of the group when I was in it, sorry, I don't have lots of famous names in my memories. I lived a very relatively boring life as a teacher and head trainer, and we rarely discussed the media except the fact that it, too, was another tool to bring in "The New Order", which is the motivation for all Illuminists.

I want to address another misconception. That is, the one that the Illuminists know that they are evil. When I was in the group, I and those around me were ideologically committed to the agenda as being good. I thought I was helping others reach their full potential when I was a trainer.

I believed that after years of sweat and hard work, that my intelligence won out, and that I made an excellent leader. I fought Jonathan and others on the council when I thought they were unfair, and stood up for the people beneath me. Others did the same. They honestly think they are doing a good thing, and if you told them it was wrong, or evil, they would look confused.

It took a LOT of therapy and deprogramming myself, doing reality checks with noncult people to realize that it was all a lie. I was devastated. I had dedicated my life to helping others bring in the glorious new order, and then found out it was EVIL and abusive. I went through a period of intense grieving/mourning over this.

Most Illuminists I knew weren't evil, they were deceived. Only the top leadership perhaps were consciously being hurtful.

Question: Svali, a very important question I'm sure all our readers are asking themselves is, who heads the Illuminati? Who is the top of the pyramid?

Svali: Hooboy! Where do I start with this? First, it depends on what level. I would like to draw up a little map of the Illuminati from my memories (which are NOT FOND) of being part of this group. I will also try to fill in some names, but I want to be cautious. If I name too many names, I could draw some nasty fire from people in the group. Here it goes:

I will be doing an upside down pyramid, to show the Illuminati structure, NOT to trigger people (I know the Illuminati use lots of pyramids) but because this is how they have their hierarchy set up:

Level One: Local level (anytown, USA)

INTERVIEW WITH EX ILLUMINATI MEMBERS

SISTER GROUP

There will be between ten and thirty sister groups in most metropolitan areas, dependent on the size of the city. The larger the city, the more sister groups. There are Illuminati groups in EVERY major city in the US and Europe. This first level is what is known as the "anarchical" or "low level". It is what most people reporting ritual abuse discuss: a high priest and priestess preside over each group, which also contains a group of two to four trainers, and others with jobs. The sister groups unite on rare occasions, are aware of each other, but each one is fairly independent, and reports only to their leadership council.

Level Two: Metropolitan leadership council

This is what the local leadership council over these groups will look like. It will also cover scattered groups in outlying rural areas.

Baalim (head) (1), assistants to the head (2) administrators over finances and day to day happenings (4), head trainers (oversee and teach other trainers) (6).

The total: 13 members

The Baalim and his two assistants report to:

REGIONAL LEADERSHIP COUNCIL

The United States has been divided into seven different regions geographically. Each region has a 13 member leadership council that coordinates with the local leadership councils (are you getting the idea by now? The Illuminati are set up a lot like "Amway" or any other well-organized business enterprise with a flowchart of accountability for each member). This council will look something like this:

Head of council (1), Military (2 seats), Spiritual (2 seats), Scholarship (2 seats), Finances (2 seats), Training (2 seats), Sciences (2 seats).

Total: 13 members

The regional councils will represent the different areas of interest and knowledge that the Illuminati pursue. The membership will change over time as members are promoted or demoted.

The seven regional councils each have a leader as noted above, who reports to the:

National Council (The nations in Europe also have national councils, Mexico and Canada do as well, as does the Soviet Republic and China).

The national council will look much like the one above, with this difference; these are influential bankers with OLD money such as: The Rockefellers, the Mellon family, the Carnegie family, the Rothschild family etc. I know I shouldn't name names, but I will.

The heads of the National councils report to: The Supreme World Council.

This council is already set up as a prototype of the one that will rule when the NWO comes into being. It meets on a regular basis to discuss finances, direction, policy, etc. and to problem-solve difficulties that come up. Once again, these leaders are heads in the financial world, OLD banking money. The Rothschild family in England, and in France, have ruling seats. A descendant of the Hapsburg dynasty has a generational seat. A descendant of the ruling families of England and France have a generational seat. The Rockefeller family in the US holds a seat.

INTERVIEW WITH EX ILLUMINATI MEMBERS

This is one reason that the Illuminati have been pretty "untouchable" over the years. The ruling members are very, very, very wealthy and powerful. I hope this information is helpful. How do I know this? I was on a local leadership council (a head trainer), but I talked to those on regional. Also, every Illuminati child is taught who their "leaders" are, and told to take an oath of allegiance to them and the "New Order to come".

Question: To what degree is the European royalty involved, what is their real pecking order and power structure and what is their U.S.-U.K. relationship in terms of financial/political/cult power. Is the Monarchy still running the show?

Svali: This is hard to answer, but I'll try. The Illuminati leadership state that they are descended from royal bloodlines, as well as unbroken occult heritage.

See, there were two definitions of "royalty" used. Open royalty that is currently seen now, and "hidden royalty" of royal lineage and extreme occult power. Sometimes the two were concurrent, such as with the Prince of Wales.

I never thought of which country/line held the most power, since I was just a peon busily doing my job. But my understanding was:

- The Hanoverian / Hapsburg descendants rule in Germany over the Bruderheist.
- They are considered one of the strongest lines for occult as well.
- The British line is just under them, with the royal family.
- Definitely, they rule the UK branch under the Rothschilds in the occult realm, even though parliament rules the country openly.

In France, again, descendants of the royal families are also in power in the occult realm, but the French Rothschilds hold the reigns over all or them. The U.S. is considered lower, and younger, than the European branches. This is why the children of leaders are ALWAYS sent to Europe for part of their training; the education is considered better and the U.S. families want to renew their affiliation with the european forebears.

Germany, France, and the UK form a triumvirate that rules in the European cult. The USSR is considered important, and has the strongest military groups. The USSR has been promised fourth position in the New World Order, BEFORE the role the U.S. would have, because the USSR has been more helpful and cooperative over the years with furthering the agenda.

The descendants of the former ruling families there are also involved in the occult leadership, along with the newer ones. There is no marxism in the cult. China will be ranked after the USSR, then the U.S.. But a lot of the current U.S. leadership will be in Europe when the change occurs, and many have homes there. They will be "changing nationalities" overnight, as it were. This is the little that I do remember. Wish I had been a better student of this stuff, but I was too busy trying to stay alive when I was in it.

Question: Svali, one of the more important points, which I am sure a lot of readers would like to know more about, is, what is the Illuminati /Freemason connection, as far as you are aware of, given your previous position in the Illuminati? Was - and is - there an infiltration of the Masonic Order?

Svali: The Freemasons and the Illuminati are hand in glove. I don't care if this steps on any toes, it's a fact. The masonic temple at Alexandria, Virginia (the city itself was named after Alexandria, Egypt, and

INTERVIEW WITH EX ILLUMINATI MEMBERS

is a hotbed of Illuminati activity) is a center in the Washington, DC area for Illuminati scholarship and teaching. I was taken there at intervals for testing, to step up a level, for scholarship, and high ceremonies. The leaders in this masonic group were also Illuminists.

This has been true of every large city I have lived in. The top Freemasons were also top Illuminists. My maternal grandparents were both high ranking Masons in the city of Pittsburgh, Pa. (president of the Eastern Star and 33rd degree Mason) and they both were also leaders in the Illuminati in that area.

Are all Masons Illuminati? No, especially at the lower levels, I believe they know nothing of the practices that occur in the middle of the night in the larger temples. Many are probably fine businessmen and Christians. But I have never known a 32 degree or above who wasn't Illuminati, and the group helped create Freemasonry as a "front" for their activities.

Question: What exactly is the meaning of the pyramid on the back of the \$1 U.S. note? I'm talking about the pyramid with the capstone detached and hovering above the rest of the pyramid, containing the 'All-Seeing-Eye'. Is this a Masonic or Illuminati symbol?

Svali: The pyramid and the "eye of Horus" on the back of the dollar bill are Illuminati symbology. The pyramid is an ancient form based on the holyness of the number 3 to the ancient mystery religions (it, not 6, is considered the most spiritual number), and a pyramid was a structure used specifically to call up the demonic, or occult, a point of psychic activity.

The eye is the all seeing eye of Horus (remember the emphasis on Egyptian magical religious practices? The book of the undead, etc.?) and the fact that no one can escape his magical reach. This eye is considered a demonic eye in the group, or the eye of the deity, and in Illuminati mythology is either open or closed, depending upon the spiritual time of year and the state of the person psychically. Young children are given "psychic surgery" where the eye is placed inside, and they are told that Horus will snatch their soul if they ever try to leave, or if they tell, or that the eye will explode. The symbol on the dollar is reinforcement for every Illuminati child who sees one, and the reminder that they are being watched.

The saying on the dollar, 'Novus Ordo Seclorum' also means "bringing in the new order", which is the Illuminati stated agenda. Just think, in the early 1800's, our forefathers already were looking forward to when the new order would be ushered in. Have I mentioned that this is a patient, forward looking group of intellectuals? That Thomas Jefferson, Benjamin Franklin, FDR, and others were Illuminati leaders? Our country may have been founded on freedom from taxation, but it was also founded on the New World Order just as surely.

Question: How far back in time does the concept / cult of the Illuminati go? It seems to me that they have been around quite some time, possibly since antiquity, guiding, steering and using humanity for their own purposes, operating under different names? Can you elaborate?

Svali: I was taught that the Illuminati had its roots in the ancient practices that reach into the beginning of recorded time; that the Babylonians on the plains created ziggurats to their deities, whom the Illuminati worship. They were proud of the fact that it was supposedly an unbroken occult line from then until now. The names changed, the basic group was the same.

The ancient mystery religions of Egypt, heart of dark magic were another forerunner, with adherents of Set, Osiris, Horus and Ra; and the Illuminists also believe their bloodlines have come down from the ancient kings of Egypt.

INTERVIEW WITH EX ILLUMINATI MEMBERS

It's hard for me to know how much was cult propaganda, and how much truth is in the claims. The Templar Knights were definitely a forerunner during medieval times, as well as the Rosicrucians and ancient celts and druids (you know, the ones who built Stonehenge).

Question: I've received some Neo-Nazi-white power-invitations through e-mail. I've read some of the stuff and (to put it short) they argue with considerable elegance - backed up with historical "facts"- that the Illuminati, of course, is a Jewish Conspiracy, and that Hitler was "on to them", and we all know what happened next. My simple question: Is the Illuminati a JEWISH conspiracy?

Svali: My answer: absolutely not. In fact, Hitler and his people (especially Himmler and Goebbels) were top Illuminists. The Illuminati are racist in the extreme, and as a child, I was forced to play "concentration camp" both on my farm in Virginia, and also in Europe in isolated camps in Germany.

The Jews historically fought against the occult. See Deuteronomy and the Old Testament for how God through the Jewish people tried to cleanse the land of the occult groups that were operating there, such as those who worshipped Baal, Ashtarte, and other Canaanite and Babylonian gods.

Since the Illuminati trace their roots to these ancient fertility deities, they also have an in-ground antithesis to the Jewish race. Also, I would never trust literature sent to me by Neo-Nazi or any extremist hate groups, since they are founded on the tenets of racism, egalitarianism, the concept of a master race, and other things that are also espoused strongly by the Illuminati and many other occult groups. Simply put, this group was lying to you, and counting on your not knowing that Nazism was founded by German Illuminists.

Question: The dream of someone wanting to rule the world is nothing new, obviously. History is littered with failed attempts to conquer the world and subjugate the population. How old is the dream for the 'New World Order per se, by the Illuminati?

Svali: The Illuminati themselves teach that they have been around for centuries and centuries, even during Roman times, and that Alexander the Great was one of their "prototypes" in the ancient world, as was Hitler in modern times. But the Illuminati as we know it today was formed in the 17th century (out of Catholic roots, ie. the Knights Templar and Rosicrucianism). The idea of a modern 'One World Order' became popular in the 1700's with the ideas of Weishaupt and others, and they have been working towards this goal since the mid 18th century.

Question: Did the Illuminati manipulate societies throughout history, such as the Egyptian, Roman, British empire, etc. How far back does the history of the Illuminati stretch and were they always known as the Illuminati, or did they at times operate under different covers with the same goals?

Svali: The Illuminati SAY they date back to ancient Babylon on the Fields of Shinar around 3,900 B.C, give or take. But this is probably cult programming and boasting. They state that they are founded on the occult base of all ancient mystery religions and occult practices. But they actually seem to be descended from the Knights Templar during the medieval ages, and the Rosicrucian's who were also founded back then. I myself have trouble knowing how much of the "cult history" I was taught as a child by my scholarship teachers was merely programming, and how much is accurate truth, so I cannot really be an objective source of information. Like any group, they tend to want to "idealize" their roots.

Question: Being as intelligent as they are, the Illuminati must know that empires and societies throughout history only lasted about 200 years, on average. Is this a natural life cycle, or was that duration and final downfall of empires coordinated? In other words, was the Illuminati responsible for failed empires? Did they purposely destroy societies and create new ones with the intention of securing a tighter grip on future governments?

INTERVIEW WITH EX ILLUMINATI MEMBERS

Svali: During historical "set ups" that I saw as a child, used to teach the history of the group, supposedly behind the throne of all ancient and modern monarchies were Illuminist advisors and financing. They CLAIM to have manipulated history for the past 2,000 years. But I also believe that people have free choice, and that no one person or group can truly take into account the unpredictable: human nature and how they will respond.

I don't really believe they did all that they have claimed to. At the same time, in the last 200 years, they have certainly had a profound influence at the international and governmental level, based on what I saw and heard when in the group.

Question: Svali, you said Illuminists are working hard for those goals and looking forward to the final implementation of the 'glorious New Order', or world government, so that they can take part and be leaders in that society. At what point will the Illuminati be satisfied with their achievements, and what is their vision of that 'glorious New Order'? What shape, form or system will it have, what political infrastructure? Dictatorial, communist, democratic? Will there be an end to their struggle for global control?

Svali: I was taught that during the coming "Order" or Government, that it would at first be a heavily dictatorial and military government. This is why there is extensive training of covert military forces in all ranks, to implement this policy. Why? Because not everyone will welcome their "enlightened" rule, and there will be those who oppose them.

Their army is being trained in crowd control techniques and camps will be set up to send dissenters to. Think of Hitler's Germany, which was a prototype. The government will be highly authoritative and centralized in the Supreme World Council, with the national councils and regional councils under its control.

The implementation of a semi-Marxist, or military socialism, will then follow (Marx was an Illuminist, and was told what to write in his treatises), coordinated under the umbrella of the regional and national councils. Financial power will be held at the national and international levels. People will be asked to work at reduced wages for the glory of serving the New Order, although compensation will be based on loyalty and performance as time goes on (much as in Marxist and Leninistic Russia).

Once the dissenters are subjugated and controlled, they believe that there will no longer be a need to try for world control. They will have it. They will then begin breeding programs to ensure that only the best and brightest reproduce; sterilization of those considered poor genetic specimens will begin. They are firm believers in "selective breeding", just as Hitler and his scientists were. It is sad, but true, that this is what they teach. Children will be tested for their psychic ability and will go through special teaching to increase their abilities, much as they do now covertly, only it will be open.

Question: Does the Illuminati have natural enemies or predators, or competitors with the same goals of global control?

Svali: Not that I know of. They are very aware of the Knights Templar, and OTO [Ordo Templi Orientis, a Catholic secret society that is a sister group to the Templar Knights and is involved in lots of occult and illegal activities as well], and while the two groups are split in some areas, they are very sympathetic and share resources with each other. The only true enemy that they see is the Christian church, which opposes all that they do. Because the Illuminati are based in occult spirituality, they despise any group that espouses Judaism or fundamental Christianity as being their mortal enemies. This is because Christians engage in spiritual warfare that hurts their cause.

INTERVIEW WITH EX ILLUMINATI MEMBERS

Question: What's your view on the role of China and Russia in light of the latest developments, the Russia-Sino political alignment against the U.S., given the insight you had when you were still part of the Illuminati?

Svali: Russia will be the military base and powerhouse of the group, since their military commanders (Illuminist) are considered the best in the world, and very, very disciplined. China, because of its roots in oriental occultism, and its large population, will also be considered a higher power than the US. But again, the real power will reside in Europe, according to what I was taught when part of the group.

China will administer the Eastern region and Russia the North. Again, I am sharing what I was taught, but please be aware that it may have been "programming". One of the most difficult tasks I have encountered since getting out has been to evaluate how much of what I was told is truth, and how much idealism and cult programming. I am NOT an authority on this group, and I held a very low position in it when I was part of it. I sat the leadership council on the San Diego metropolitan area for several years, but had little to do with the international arena.
